ARANT. Mane. Sept. 18.-The sed den denis of Mrs. Henry Cabet Louige wife of 11. A denistry Louige, at his here tast pight was antounced. Mrs. Lodge was sixty-five years

where most glasses give trouble and whore Harris Glasses are doubly fortified.

The screw-holes in Harris Glasses are located to a "hair's breadth" and then mounted by expert workmen.

The fitting is made snug and the screw entirely fills the hole, thus eliminating all play.

This is only one example of the great care and thorough workmanship which go into EVERY pair of Harris Eyeglasses - whether they cost \$2.00 or more.
